

# March 2025 Grade 2A

February sure has flown by! I am looking forward to meeting with you this month to discuss the progress of your child. I am so proud of all the hard work our class has been doing. As always, if you have any questions or concerns, please do not hesitate to contact us before this time. I'm sure the students are anticipating a fun and relaxing spring break arriving at the end of the month.

## LA and Math in March

Language Arts: The students did so well with their animal research projects! I am excited to share them with you when we meet in March. They will also be enjoying learning about opinion writing this month. On Tuesday, **March 4th**, please send some items (or a picture of those items) that are special to your child. This could be a hockey card collection, doll collection, rock collection, etc. Students will be writing about what is special to them so actual items or a picture of them would be great. Thank-you! Please continue to read with your child. The students know that the only way to become a better reader is to read, read, read!

Math: Students will continue to learn addition and subtraction to 100. Please continue to review the basic facts at home. A solid understanding and quick recall of addition and subtraction facts to 18 would greatly benefit your child.

With the melting snow come many puddles! Although we try to keep students out of the puddles, they seem to be magnetically drawn to them. Please send an extra pair of pants, socks, and a plastic bag in case your child gets wet. Thank-you!

We are excited to welcome our 2A pre-service teacher, Miss Kate Verhagen, into our class in the mornings from March 10<sup>th</sup>-April 25<sup>th</sup>. She is looking forward to working with our students and we are so happy to have her with us.

Bible Memory: From now until the end of the year, we will be reviewing the Bible memory verses we have already learned. I hope this will solidify the verses in your child's mind and that they will be able to remember them in times of need.

Classroom Website: Please remember to look at our website at <https://sce2a.schoolsites.ca/> Here you will find our newsletter, calendar, Bible memory, our weekly spelling list, and many fun links for your child. Please bookmark the site for easy reference.

I hope you have a wonderful month! If you have any questions or concerns, please let us know!

In His service,

Mrs. Thornton and Mrs. Dawe
